PARADISE COMMUNITY CLUB INC.
BOARD OF DIRECTORS
AND MEMBERS AT LARGE
CODE OF CONDUCT
APRIL 2008
(Revised 6/3/2012)

Conduct at Meetings: The membership voted to follow Roberts Rules of Order as our guide when conducting membership meetings, Board meetings, Annual meetings, or other such special meetings that the board may schedule. In practice we have elected to use these rules in a more informal way, a basically relaxed manner. However, all speakers must ensure that their comments are presented in a respectful manner and free of personal attacks, or accompanied with inappropriate tone or unacceptable behavior. The Sergeant at Arms is charged with ensuring that all respondents maintain acceptable demeanor and adhere to the following basic rules of conduct:

1. Each individual desiring to speak should address the board by raising their hand and stating; "Mr. President, I wish to address the board."
2. Each speaker is allowed 2 minutes to state their issue and provide any documentation or supporting evidence.
3. The president will then open the floor to discussion or rebuttal. Each respondent then will have 2 minutes to state their concerns or recommendations.
4. At the end of discussion the president will ask for a motion and potential vote on the issue. Once the vote is counted the majority rules to accept or reject the motion. The vote is made a matter of record in the minutes of the meeting. Note: Only board members may make a motion, or vote for or against a motion.
5. Members at large are encouraged to offer their comments or opinions concerning a topic under discussion but must defer to the board for a motion or vote.

UNACCEPTABLE BEHAVIOR

1. Any individual unwilling to support the above rules or who behaves in an unacceptable manner will be asked to immediately correct their behavior; if they refuse they will be asked to leave the meeting until such time as they show they are willing to behave in an acceptable manner.
2. Upon a repeat offense they will be asked not to attend future meetings of the association.

The above are very basic rules of behavior and are intended to ensure a respectful, harmonious atmosphere is maintained at all meetings.

Very Respectfully,

The PCC Board of Directors

Board of Directors Candidate Bio:

It is the policy of Paradise Community Club, Inc. to request each candidate to the Board of Directors to submit a bio describing his or her background or qualifications for a position to the Board of Directors. This policy does not apply to persons nominated from the floor at a General Membership meeting, or to any person appointed by the Board to fill an unexpired term.

This bio will be mailed to the Board of Directors at least sixty (60) days before all membership meetings where Board of Directors is elected. All bios received by the deadline will be copied and enclosed with the information and voting packets that are sent out prior to annual and special membership meetings.

Meeting of Directors:

Meetings of the Directors are held on a regular basis and are open to the Membership. Please contact the Secretary for a schedule of meetings. Members wishing to address the Board of Directors may do so at each meeting. Advanced notification is required for topics of complexity or that seek to alter the governing documents that pertain to the community.

COMMITTEES:

Committees are established by the Board of Directors to manage ongoing procedures and address specific issues. Please contact the Secretary to express interest in serving on a committee. The current standing committees of the Association are:

Policies Committee:

The Policies Committee shall consist of the full Board complement. Changes to Policies require approval by a majority of Board Members.

Grounds Committee:

The Grounds Committee is responsible to oversee the up-keep of common areas, cutting and maintenance of grass along Big Lake, and the Small Pond, along sides of road, and at the entrance to Paradise Estates. This committee is also responsible for presenting feedback and complaints of individual lot owners related to clutter, trash, inoperable vehicles, or overgrown lots to the Board of Directors.

Finance Committee

The Finance Committee will include a Committee Chairperson, the PCC Treasurer who will serve in an advisory non-voting position, a PCC board member and two members at large. In the event that two members at large are not available, or do not show for the audit two selected PCC board members will replace them. The finance committee will review all requests for purchases, conduct audits as directed, and prepare annual budget recommendations. Committee members will serve for two years except for the PCC Treasurer who will serve as a permanent member of the committee. Committee members may serve beyond the two year term with approval of the PCC board of directors.

Special tasks and guidelines follow:

1. The PCC treasurer may discretionally spend up to but not exceed five hundred dollars (\$500.00) for unplanned yet necessary operating expenses. Such purchases are subject to review at the next regularly scheduled Finance or Board meeting. Requests for unplanned purchases exceeding \$500.00 will be presented to the Board of Directors at the next scheduled board meeting. To reduce the logistical burden, the Treasurer may also issue checks for any regular (monthly or more frequent) expense up to \$1,500.00.
2. On a bi-monthly basis review all bank accounts belonging to PCC. The deposit receipts and the deposit ledger will be reviewed to verify revenue received and deposited. Receipts, invoices and processed checks will be reviewed to verify expenditures are appropriate.
3. Annually, not later than February 28th, prepare a Proposed Annual Budget for the following calendar year and present it to the Board of Directors by the March Board Meeting for review and approval/disapproval. If the board does not accept the recommended budget, the budget will be reworked with board member proposals and recommendations and presented to the board at the next scheduled meeting. Not less than 10 or more than 50 days in advance of any annual general membership meeting, a proposed budget summary will be mailed to the general membership. The agenda for the annual general membership meeting will include ratification of the proposed budget. In accordance with the By-Laws of the corporation the proposed budget is ratified by a simple majority of votes received in person or by proxy vote in favor of approval at a general membership meeting with an established quorum (40 or more members, including mail-in ballots).
4. On a quarterly basis the Treasurer may submit the accounts of the corporation to the CPA for review. Annually, not later than 15th of March, ensure that action has been taken to file the PCC income tax forms to include payment of any applicable taxes owed before the IRS deadline.
5. Based upon projected expenses and estimated future revenue, recommend an increase or decrease in established assessments and fees. If the proposed recommendation will cause a change in the current assessments or fees, such increase or decrease must be ratified by the general membership in accordance with the timeline in #3 above.

ASSESSMENTS:

As provided by the legal documents, assessments are collected for each lot.

Due Date:

Annual Association Dues are due by the first day of February of each year. These dues are assessed on the same invoice as your December water billing. Personal checks, money orders, or cashier checks are acceptable forms of payment. Payments can also be made online or by phone; consult your invoice for details. **Checks should be made payable as indicated on the billing invoice.** Partial payments are subject to late fees, which are applied to the outstanding balance each subsequent billing period.

Other forms of assessments that are billed will generally be payable to PCC. These include Water Availability Notice fees, Meter Unlock fees, Fines resulting from meter tampering or other forms of non-compliance, etc. Payments for these types of assessments can be returned in the PCC return envelope, or paid by check, cash, or money order in the PCC office.

Delinquency:

Association Dues are delinquent if not received by the first day of February for that year. To encourage payment, the following delinquency policy has been adopted:

**RESOLUTION OF THE BOARD OF DIRECTORS OF
PARADISE COMMUNITY CLUB, INC.
PARADISE ESTATES
DELINQUENT ACCOUNTS
AMENDED
November 12, 2023**

WHEREAS the Board of Directors of Paradise Community Club, Inc. and Paradise Estates Water Department are charged with the responsibility of collecting assessments for common expenses and water distribution expenses from members pursuant to Article III, Section 5 of the Articles of Incorporation; and

WHEREAS from time to time members become delinquent in their payment of these assessments and/or fail to pay or make arrangements with the Treasurer for payment of incurred assessments; and

WHEREAS the Board deems it to be in the best interest of the Association to adopt a uniform and systematic procedure for dealing with delinquent accounts in a timely manner: NOW THEREFORE,

BE IT RESOLVED that pursuant to Article III, Section 6 of the Articles of Incorporation and RCW 64.38.020 there is hereby levied against the unpaid balance of any account which is not paid in full as of the due date, a late charge in the amount of \$20 compounded bi-monthly, which the Treasurer is authorized and directed to charge and collect from any delinquent member; and

BE IT FURTHER RESOLVED that, if the account is not paid in full or have a mutually-agreeable payment plan in place before the next billing cycle (assuming bi-monthly billing), a Water Service Disconnect Notice will be sent to the member. If full payment or a mutually-agreeable payment plan is not accomplished within 10 business days, the corresponding water connection(s) owned by the member will be scheduled to be shut off and locked. A final two-day door hanger notice will be issued to lots with living quarters. Once locked however, restoration of water service requires full payment of the outstanding balance, along with the then current Reconnection Fee (AKA "Unlock Fee"), currently \$50.00.

BE IT FURTHER RESOLVED that the Treasurer is directed to request legal counsel to send to any member, who has a balance greater than \$300 that is more than ninety (90) days delinquent, a written Demand Letter, which will include the unpaid balance and the legal expense associated with this collection effort. If the account is not paid in full by attorney's demand deadline, it will be liable for payment of any further reasonable charges imposed by the attorney to cover the related costs charged to the Association; and

BE IT FURTHER RESOLVED that the Treasurer is directed to consult with the selected attorney and turn over for collection immediately any account where the owner

files or is the subject of a petition for relief in bankruptcy or a lender has commenced any action for foreclosure of its lien against the unit; and

BE IT FURTHER RESOLVED that the following policies shall apply to all delinquent accounts turned over to an attorney for collection:

1. In the event that a delinquent lot is rented by its owner, the attorney is authorized, pursuant to Article III, Section 6 of the Articles of Incorporation, to demand and collect the Association Dues from the tenant of the lot.
2. Where, at the expiration of the period specified in the attorney's demand letter, an account remains delinquent and without a payment plan embodied in a signed Stipulation for Judgment or a signed agreement by a renter to pay Association Assessments, or in the event of a default under the terms of either agreement, the attorney is authorized to take such further action as they, in consultation with the Board of Directors, believe to be in the best interest of the Association, including but not limited to:
 - A. Filing of a Notice of Claim of Lien against the property in arrears, once total arrears exceed \$500.00.
 - B. Filing suit against the delinquent member for money due pursuant to Article III, Sections 5 and 6 of the Articles of Incorporation and RCW 64.38; or
 - C. Instituting a non-judicial action for foreclosure of the Association's Lien, pursuant to Article III, Section 6 of the Articles of incorporation; or
 - D. Filing a proof of claim in bankruptcy; or
 - E. Instituting a judicial action for foreclosure of the Association's Lien, pursuant to Article III, Sections 5 and 6 of the Articles of Incorporation, and RCW 64.38; and seeking the appointment of a receiver for the unit pursuant to Article III, Section 6 of the Articles of Incorporation; and

BE IT FURTHER RESOLVED that a copy of this resolution shall be sent to all members at their last known addresses.

This resolution was revised and adopted by the Board of Directors on Nov 12, 2023 and shall be effective on 1/1/2024.

Signed:

BALLOTS:

It is the policy of Paradise Community Club, Inc. to allow all members in good standing the right to vote by mailed ballot on all issues before the General Membership for approval. Voting in person or by signed proxy is also allowed.

“Members in good standing”, for purposes of this policy, means all owners of lots in Paradise Estates who have paid all current dues and assessments, who are members of record, and who have conformed with all By-Laws, policies, and procedures of the Homeowners Association.

A ballot form will be hand-delivered or mailed via United States Postal Service to all lot owners (members) at least ten (10) but not more than fifty (50) days before all annual and special membership meetings. Requests for missing (replacement) ballots must be in writing and addressed to the Ballot Chairperson. A replacement ballot will be mailed to all

lot owners who request one within one week of the Ballot Chairperson receiving the request. The completed mail-in ballot must be returned to the Ballot Chairperson by the deadline stated on the ballot, which shall in no case be less than 48 hours before a special or annual meeting, in order to be honored the same as votes cast at that special or annual meeting.

The Ballot Chairperson will report at each membership meeting the number of replacement ballots requested, sent and returned. This report will be made a part of the written minutes of that meeting. Any member who requests a missing (replacement) ballot, but fails to receive one within ten (10) days of their written request should immediately contact the Association President.

Once notified, it is the President's duty to see that a replacement ballot is provided to the member.

If, however, the Association President is notified within 48 hours of a scheduled special or annual meeting, that a member requested but did not receive a missing or replacement ballot, special consideration will be given by the Board of Directors on a case by case basis on how to rectify the problem prior to votes being cast at that special or annual meeting.

Duties of the Ballot Chairperson:

The Ballot Chairperson will be selected annually from the Board of Directors at or before the May meeting of the Board of Directors. The Absentee Ballot Chairperson must agree to abide by the By-Laws, policies, practices and procedures of Paradise Community Club, Inc.

The Ballot Chairperson will verify that members submitting ballots are in good standing, as defined above. The Chairperson will then respond to all member requests for missing/replacement ballots within one week of absentee ballot requests being received by Paradise Community Club, Inc. The Ballot Chairperson will record the name of the member requesting a replacement ballot, the date each request is received by the Association, the date each absentee ballot is mailed to that member and the date each completed ballot is returned.

The Ballot Chairperson will be responsible for delivering all ballots received in a timely manner by the Association to the annual or special membership meeting. The Ballot Chairperson will make a report to the general membership at each membership meeting where membership votes are cast on the number of ballots mailed and returned. This report shall be made a part of the written minutes for each membership meeting.

The Ballot Chairperson will make recommendations to the Board of Directors concerning the procedures used to carry out the ballot policy. All expenses involved in copying, preparing and mailing ballots to Association Members will be borne by the Association.

In the event that the Ballot Chairperson is found to be negligent in the Chairperson's duties or that the Ballot Chairperson has deliberately failed to carry out the written ballot policy of the Association, the Board of Directors will promptly replace the Ballot Chairperson and take any actions reasonably possible under the circumstances to insure that each member of the Association has been given a fair opportunity to vote on membership issues.

ASSOCIATION NEWSLETTER:

The primary purpose of the Association Newsletter is to summarize and document actions taken by the Board of Directors, or requested by the membership at annual, special, or regular meetings. It is the intent and desire of the Board of Directors to ensure that the membership is kept informed of business that affects the Association. Also, to encourage and provide members the opportunity to comment or offer constructive suggestions for improving the Association business processes. Comments or suggestions should be provided to the Board of Directors in writing to the Association business office.

It is the policy of Paradise Community Club, Inc., that the Board of Directors will cause the proceedings of all annual and special membership meetings to be summarized and published in an Association Newsletter. This newsletter will be hand-delivered or mailed via United States Postal Service mail to all members of record. A newsletter will be delivered within thirty (30) days following the Annual Membership Meeting in June of each year. The names of newly elected officers of the Board of Directors will be included, along with any pertinent information about committees appointed by the Board of Directors.
